

Northern Virginia Running Club Gear Policy

Current Version – 2025

For the purposes of this policy, “gear” refers to apparel and merchandise procured by the NOVA Running Club and made available for purchase to active members of the NOVA Running Club.

The Northern Virginia Running Club (NOVA) policy on gear is as follows:

- Gear is ordered and paid for directly through the online Gear Order Form via Credit Card, CashApp or Google Pay, or via cash, check, or Venmo.
- Gear can be picked up at the next NOVA Tuesday Track practice following the gear purchase date.
- Alternatively, members must email gear@novarunningclub.com and let us know the next practice they will attend and pick up their gear.
- Gear must be picked up within 13 months of the gear purchase date. If gear is not picked up by this time, it will be re-inventoried and available for purchase by another member. No refunds will be given for the original gear purchase.
- Gear is not mailed under any circumstance.

Members are required to acknowledge that they understand and accept the Gear Policy as a condition of joining the Club.

I have read and understand the Northern Virginia Running Club’s Gear Policy and agree to be bound by it.
